

The Stanier Mogul Fund was established in 1970 for the specific purpose of purchasing ex-BR steam locomotive No. 42968, transporting her to the Severn Valley Railway and there restoring her to running order for use on that railway and possibly on main line railtours.

During the last forty years finances have been raised by the Fund's membership to purchase, restore and maintain this unique locomotive. Membership of the SMF offers you the opportunity to do as much, or as little, as you want. From being a member of the working parties which maintain 42968, to assisting on the Fund's sales stand, or simply supporting our Annual Raffle or other fund raising incentives (which are detailed in our twice annual Magazine) from the comfort of your armchair, the choice is yours. An AGM is held each year at which you are welcome to attend.

The best way to help 42968 is join the Fund by:-

• Purchasing one or more *First of the Finest* Certificates at £10 each.

AND

• To make a small monthly contribution of £2, £3, £4 or £5 (the choice is yours) to assist with the running of the Fund.

Starting is easy, just complete the form below enclosing a cheque for a minimum of £10 **together with** the Standing Order form on the reverse of this letter clearly showing the monthly amount of your choice and return the completed form to Dick Lewis, our Treasurer at the address shown.

I look forward to welcoming you.

John Tidmarsh Membership Secretary

To the Hon. Treasurer: R. E. Lewis, Flat 1, Elford, 6 Douglas Avenue, Exmouth, EX8 2AU
